

# HEALTH & SAFETY SOLUTIONS

## FOR EARLY CHILDHOOD CENTERS

# SAFETY SOLUTIONS FROM THE OUTSIDE IN

*Whether your school or center has been open all along or you're welcoming students, staff, teachers, and parents back into your building, we know that health, wellness, and safety are your #1 priorities this year - and always.*

*Just like we've been your partner in the past for graduation, we're here now with easy, effective, and budget-friendly ways to help you help you navigate these changing times.*

## Display A-FRAME SIGNS & DECALS outside to:

- 😊 direct parents to drop-off lines
- 😊 remind people of social distancing guidelines
- 😊 manage traffic flow
- 😊 explain and reinforce the rules
- 😊 welcome parents and visitors
- 😊 promote your school or center

# INDOOR SPACES

From classrooms to play rooms, we can help you keep all your spaces safer!

## Make all your SPACES safer!

- ☺ Teach children about social distancing and place decals on the floor to reinforce the concept.
- ☺ Give each child his or her own space - away from other children - to play in.
- ☺ Sanitize toys after each use.

- ☺ In classrooms, space children out as far as possible.
- ☺ Provide each child with his or her own set of school supplies to eliminate sharing.
- ☺ At meal/snack time, keep children in their own spaces, and provide pre-packaged, individually-wrapped food.

    
**DON'T TOUCH**

Reusable and repositionable **WALL DECALS** with strong visual elements make it easy for kids of all reading levels to understand the safety rules.

### FLOOR DECALS

help kids know exactly where to stand as they're waiting in line to enter school, or for the bathroom, recess, or lunch.

**STAND  
HERE**  
FOR SOCIAL  
DISTANCING

To Promote Social Distancing  
**PLEASE GO IN  
THIS DIRECTION ONLY**

Position **ARROW DECALS** on the floor to keep traffic to a minimum and create a one-way route through the hallways.

# SANITIZER STATIONS

Hand sanitizer is a “must have” for every classroom and common area in your school or center.

## Set up HAND SANITIZER stations!

- Available in tabletop and floor models to fit every area in your center or school.
- Full-color, age-appropriate designs
- Two options available in top colors

Set up sanitizing stations throughout your facility:

- Entrances and exits
- Office
- Classrooms
- Cafeteria
- Teachers' lounge
- Playground
- Common areas

Set up tabletop **HAND SANITIZER STATIONS** in each classroom and common area, and hand out individual bottles to each teacher and staff member.

Colorful, easy-to-understand **WALL DECALS** help reinforce hand washing concepts in bathrooms, classrooms, and kitchen areas.
